

Hi Andrea,

Please find my assignment attached.

File name: (DSIF3.0 - From data to actionable insights - EDA in Python-checkpoint)

Dataset used: (df_out_dsif2.csv)

I have added my work at the end of DSIF3.0 - **From data to actionable insights - EDA in Python-checkpoint. To see my work, please, scroll till the end of the lesson.**

Thank you.

Achaillet (LEO)
